VOLUME 24, No. 50

NARBERTH, PENNSYLVANIA, SEPTEMBER 16, 1938

Narberth's Stay in Series Depends on Manoa, Tomorrow

How far will Narberth travel along the road which leads to the Main Line League championship?

Part of that question will be answered tomorrow when Jack Jeffries' Narberth team meets the Manoa team in their third series game on the borough diamond.

The defending champions and Bill Getz's Manoa outfit are even up after a better two game duel last week-end when the former won the first here and Narberth stayed in the running by winning by a comfortable score at Manoa a day later.

Oddly enough, the loser in each instance scored two runs. Last Saturday they met here in the first of three games which make up the preliminary Shaughnessy eliminations. Manoa rallied to take the decision, 6-2. Sunday Narberth, fighting with its back to the wall, invaded Manoa and walloped the Getzmen, 9-2, treating three pitchers badly.

While the Jeffries-men were earning an even break with the Manoa Club, Berwyn and Gladwyne were sharing their two games. Therefore, Berwyn and Gladwyne will tangle on the latter's diamond tomorrow and the winner will open a five-game series for the title Sunday against the winner of the Narberth-Manoa series.

Nick Lyons was charged with Narberth's opening defeat, but surprised many of the fans with his effective hurling. Incidentally, it was the first defeat Lyons suffered this year at the hands of a league team. He had a record of five victories and no setbacks during the regular schedule.

Lyons held Manoa in check until the seventh inning when the invaders pushed over two runs to break a 1-1 deadlock. Manoa was first to score, getting a run in the third. The champion came back to knot the score in their half, thanks to Bill Caldwell's shot to left field, which traveled to the trees in centerfield. Manoa scored two more in the eighth and one in the ninth while Narberth's other run was added in the eighth.

Azpell was troublesome in the pinches, but the locals hit him rather freely. He struck out eight and walked one. Lyons fanned two and passed four. His teammates gave him pretty good support when the going was rough.

Facing elimination Sunday, Narberth's tossers did something about it, and how! They scored five runs in the first inning, shelling Bob Allison from the mound. Azpell relieved him and they took to avenging Saturday's defeat, bombarding him from the hill.

Library

Full-Time Assistant is Miss
Betty Mills.

Selected Tuesday night at the Narberth Library Board meeting, Miss Mills will act as assistant to Miss Clara Follette. She served this past summer here, and was in full charge in vacation time. Graduate of Girls' High School, Atlanta, and of the Philadelphia School of Office Training, she is a Narberth resident, at 103 Woodbine.

Appointed part-time assistants were Mrs. Helen Monks Doershus, Grayling avenue, a graduate of Oberlin, who will attend library school this season, and Mrs. Katharine Freerickes, Sabine Apartments, who is a graduate of the University of Washington.

Increased circulation of 4000 was reported over that of January 1, and plans were made for the new season.

Rod and Gun Club

First fall meeting of the Lower Merion Rod and Gun Club is next Wednesday evening at the Legion Room of the Narberth Community Building. Dr. Joseph W. Van Sant, Fox Chase veterinarian, will show pictures of his big game hunting in Alaska. Last Sunday members of the club went fishing from Lewes, Del.

Annual fall outing will be at the Ridgway Farm in Bethayres Saturday the 24th. Bill of fare will include corn on the cob and baked oysters.

Lewis M. Keim, Jr., 207 N. Narberth, who is president of the Y. M. C. A. at Drexel Institute, is in charge of the three-day orientation program for freshmen students at Camp Ockanicken, Medford, N. J.

Where Bocce

Is Played, a Playground
is Desired.

Four hundred signatures appeared on a petition presented at Borough Council Monday night by Salvatore Frattantonio, asking a children's playground for Iona avenue, between Woodbine and Montgomery. This nearly ten-acre land, characteristic of the homes and yards of the Italians throughout what is termed the "brick row," has been used for bocce. The bowling has lent old-world charm to this, the only vacant land in the vicinity.

Lower Merion is building the General Wayne playground across the pike, but not for boroughites. Narberth has a playground, but it's at the other end of town from the "brick row." And so the petition, sponsored by the Italian-American Association.

Plays

For the Season Were Announced
Tuesday.

The Narberth Players' at their season's first meeting, in Elm Hall, saw motion pictures of themselves, screened by George Werner and Rev. R. E. Keighton, and made plans for their productions this year, the first being P. G. Wodehouse's comedy, "Candlelight," October 21-22. There are over 100 parts to fill during the season, with work for about 20 in other production departments, according to President William H. Muller.

Other plays: "The First Mrs. Frazer," by St. John Ervine; George M. Cohan's "Seven Keys to Baldpate"; John Carlton's "Nine Pine Street," and Milne's "Romantic Age."

At each monthly meeting one-act plays will be presented in addition—the second Tuesday of each month. New members are welcome.

Windsor and Haverford Avenue Paving Job Begins Next Monday

Parents-Teachers

The Narberth P.T. Association's executive board will meet at the Narberth School 3:15 P. M. Wednesday, to make plans for the season. The board of Narberth on Windsor avenue and Haverford avenue, as of September 19, next Monday.

Localities are urged to attend the Montgomery County Council of Parents-Teachers Association's school instruction in Hatfield, Saturday, the 21st, beginning at 9:30. Transportation will be provided from here and reservations made for luncheon, if Mrs. Vigners is informed by next Wednesday.

Young Republicans Elect

The Narberth Young Republican Club opened its fall season with a meeting Tuesday at the American Legion Room. An election was held to fill the vacancies left by the resignations of Thomas Cook as chairman, Monica Batchelor Cook as secretary, and Lee Terry as treasurer.

The new officers are George Purring, chairman; Otto Duer, vice-chairman; Muriel Baker, secretary; Victor Carson, treasurer; Mary Jane Poorman, representative to Executive Council; Ann Duer, delegate to Executive Committee. Plans were outlined to increase the membership of the club and to make 1938-39 an outstanding year for the Narberth Young Republicans.

Review was held at the Ardmore Presbyterian Church in Ardmore, Merion No. 1 was the host troop by reason of having more applications for merit badges than any other troop that month. Those from nearby troops receiving awards were:

Merion No. 1: Bill Blake, John Mraz, Bob Watrous, Ray Watrous, Dan McElwee, Kent Roberts and John Vogel.
Wynnewood No. 1: George Woodrow.
Narberth No. 2: Jim Pruitt and Bob Erickson.
Penn. Valley No. 1: John Bothwell.

Attention is called to the fact that October 1 sees the start of the annual fall round-up, part number four in the Council Activities Program. All scoutmasters of troops in the council should have received by now their copies of the round-up schedule and should be planning their troop schedules accordingly.

Merion No. 2

Merion No. 2 is very proud to announce the first Eagle Scout in the troop's history: L. Fielding Howe, Jr., son of the chairman of the Troop Committee, was awarded the honor personally by Dan Beard, honorary vice-president and member of the Executive Board of the Boy Scouts of America. Fielding attended Dan Beard's Camp in Pike County, and completed the work for his rank at the camp. Fielding is one of the four charter members of the troop and is to be congratulated on his fine work.

Merion No. 2 has always had an international aspect. At our installation four years ago, scouts from Merionethshire, Wales presented us our Welsh Dragon Troop Flag bringing with it tradition dating back to the ancient Britons and Romans. Now comes word that we are to add to our internationality by taking in our midst two scouts from Vienna, Austria: Fred and Hans Urbach, sons of Austrian refugees. Fred attended the International Jamboree in Holland last year and holds a rank in Austria comparable to the American rank of Life Scout. Hans holds a first-class rank. Because American requirements are vastly different from Austrian requirements, both boys are starting over again as tenderfeet. We welcome these boys, congratulate them on their fine spirit, and wish them the very best of good luck.

We have completed the requirements for the summer award and are looking forward to attaining the fall round-up award which will make us a Red Star troop for having achieved all four parts of the Council Activities Program. Fall meetings are now in full swing and at our last meeting our Senior Patrol gave an effective demonstration of pioneering, showing some of the possibilities of lashing in construction. The program also included . . .

Notes from Here and There

Lower Merion's incinerator work began Monday, between Penn Valley and West's Manayunk. Exceptions have been filed to Judge William F. Danneberg's decree which permits the township to sit in judgment of its own action in amending its zoning ordinance, so that public buildings, such as incinerators may be erected anywhere. It is expected the Supreme Court will hand down a decision before year's end.

A new class in the Bryn Mawr Horse Show, which will be held September 21-24, is for sporting tandems. The show, oldest outdoor one in America in point of continuous existence, will celebrate its forty-second anniversary this year. Its entire proceeds will be donated to the Main Line Community Health and Civic Association and the Cancer Research Institute of Lankenau Hospital.

Many Republicans from the town and township will attend a dinner rally at Sunnybrook, near Pottstown, on October 13, at which Judge Arthur H. James, Senator James J. Davis and William S. Levensgood will be the principal speakers.

Under the registration law passed by the Legislature in 1937, citizens may vote only if they have been permanently registered.

Pennsylvania has more miles of improved State highways exceeding two-lane widths than all of the other states except one—New York. The mileage of three, four and six lane highways in this State now totals 1,112. Of this total, about 137 miles were built during the past fiscal year.

Friends' Central School, 68th and City line, Overbrook, will re-open on Wednesday, September 21. This will be the 94th year of the school's existence. The Friends' Central School Senior Discussion Group broadcasts will be heard on the Inter-city Network from Station WIP every other Saturday from October 1 until June 1, from 10:30 to 11 A. M.

As the *New York World Telegram* aptly puts the California political situation: "Thirty Dollars Every Thursday, Forty Dollars Every Friday, Sixty Dollars Every Saturday, Seventy Dollars Every Sunday, Million Dollars on Monday, Two Million Dollars on Tuesday, Wake Up on Wednesday."

Next holiday, Thanksgiving. It will come this year on Thursday, November 21.

Some gentlemen at Geneva announce their discovery that in many countries living is much cheaper than it was a few years ago. Life is, too.

Wildflowers and Gardens

Albert F. W. Vick, Jr., of Cynwyd, spoke about them and showed colored pictures of extensive work done by his father and himself at Tuesday's meeting of the Bala-Cynwyd Rotary Club, Wednesday. Rotarians from hereabouts attended the county outing at Plymouth Country Club. Next Tuesday, Architect Edward P. Siman will address the B-C-N club on business ethics.

Needlework Guild

Narberth branch of the Needlework Guild will resume activities Wednesday the 28th, in the Legion Room of the Community Building.

Boy Scouts Win Badges; Merion Gets Two Refugees from Vienna

Local scouters are preparing for the fifteenth annual Pow Wow sponsored by the Valley Forge Council, to be held at Camp Delmont, Montgomery and Delaware Counties Scout Camp, September 17-18.

More than three hundred scouters will attend the training sessions that will continue through the week-end. Seven training courses, each portraying a different phase of the scouting program, will be presented to the interested scouters.

Regional Scout Executive, Paul Love, will be the main speaker of the day. Other important faculty members will be Rex I. Gary, scout executive of the Valley Forge Council; Deputy Regional Executive, D. G. Van deBoc, and John Triplett, National Council staff member.

Under the supervision of the field executive and the district commissioner each district will operate as a scout troop, with men distributed in groups, known as patrols.

Troop operations, short term camping Troop Committee functions, troop nature program, hike cookery and equipment, and troop activities methods are the phases of scouting that will be the center of the district's interest. Local scouters who will be on hand at the Council Pow Wow are:

Jos. C. Ferguson, Francis M. Brooke, Leigh P. Hoff, Victor Wieman, Henry C. Biddle, Jr., Alfred C. Borton, Clark E. Miller, Elmer Addison, Samuel J. Bunting, Jr., Oscar

B. Cobb, Alex J. Cowan, Harrison L. Diehl, William J. Doyle, Jr., Walter R. Faries, William E. Ferguson, William Foot, Walton Forstall, Jr., Jack Kengla, Carlton S. Harkness, Harry Hennessey, Joseph F. Hildenbrand, William K. Holman, R. W. Howell, Lorne Hummel, Jack Kenealy, Richard I. Knoll, Charles William Lueders, Jr., James McCurdy, Norman M. Mould, George Nauta, J. H. Neher, Vincent Odorisio, Charles M. Ross, Harry V. Ryder, Gerald S. Savitz, Frank H. Seely, Jr., R. Skagerberg, E. Nelson Strang, Jr.

The week-end following the Pow Wow, or September 24 and 25, the annual Base anniversary will be held by the Sea Scouts at their base on Rancocas Creek near Masonville, N. J. The theme will be "What Sea Scouts Do" and the principal speaker will be Tom Keene, National Sea Scout director. Others of importance to the week-end will be Chester Nelson, director of Sea Scouting in the Valley Forge Council, Carl Zoerner, Joe Burke, national sculling champion, and Rex I. Gary, scout executive.

Reservations for camping at Camp Delmont during the fall, winter and spring months begins October 1. Permits from council office are necessary for such camping.

The Virility

Of Narberth is 30 Per Cent.
Over the Nation's.

At Borough Council meeting Monday, Burgess Frank Schrepfer reported some results of his recent population survey of Narberth, which goes to the Planning Commission for recommendations.

By September 1 the population had become 1888, of which males 18 and over, number 1878, and females, 1865. The stern sex under 18 years of age outnumber the fair ones, 640 to 505. This is a 30 per cent greater preponderance of cannon fodder than is evinced in the nation at large.

The Burgess also reported the borough boasts just 1063 homes, of which 56.2 per cent are occupied by owners. There were 56 apartment units in the town, housing 744 persons, until the 111-family apartment house at Narberth and Price avenues was opened yesterday. Most likely tenants will be brides and grooms.

Congratulated

Mr. and Mrs. Casper C. Keam, 222 Haverford, are being congratulated on the birth of a son, Wednesday.

Girl Scouts

Mrs. David L. Phillips, of Cynwyd, who organized a troop committee in Cynwyd because she wanted her two daughters to have Girl Scouting, became so interested in the work and so valuable in Scouting that in 1927 she was called from the troop chairmanship of Cynwyd troop 94 to become local director of the Philadelphia Girl Scouts, which position she held until 1935.

Mrs. Carl A. Thaysen, member of the troop committee of Narberth troop, then chairman of Public Relations of the Main Line Girl Scouts for two years, now gives part of her time doing Public Relations for the Philadelphia Girl Scouts, because funds are not adequate for a paid director in that office. Mrs. Thaysen organized the first Philadelphia Girl Scout cookie sale in 1934 and has taken charge of the sale for the entire division ever since.

The first meeting of Girl Scout Troop 8 will be held at the Scout House, Tuesday evening, September 20, at 7:15 sharp to 8:30. Plans for a very interesting year are under way—supper hikes, parties, sports, dramatics. Let's make this a very successful year for Troop 8.

Evelyn Hansell, Captain.

Montgomery Country Day Appoints New Teachers

G. Britton Holmes, headmaster of the new Montgomery Country Day School opening September 21 in Wynnewood, has announced the following recent appointments to the faculty: Mr. and Mrs. Francis J. Quirk, art; Eva May, kindergarten; Henrietta W. Horter, music in the lower school, and James H. Straub, manual training and athletics. Alfred G. Hare, director of athletics, has planned a varied afternoon program which will include tennis, badminton, volleyball, and the new six-man teams for football.

Teaching Old Dogs

"The ancient saw that you can't teach an old dog new tricks, doesn't apply when it comes to teaching old drivers new skills and attitudes," says Dr. Herbert J. Stack of the National Conservation Bureau. "This goes for the adult pedestrian, too."

Dr. Stack describes some of the work that is being carried on in various communities to promote traffic safety work that should and must be greatly extended if the death and fatality rate is to be reduced. In many places, police departments have taken the lead in providing scientific educational programs for drivers and pedestrians. Some departments have established schools for violators, and have found them to be extremely effective in educating the ignorant and curbing the reckless. Newspapers, radio and other media have done a splendid work in keeping the gravity of the accident problem and its manifold solutions before the public.

Also, Dr. Stack said, an intelligently conducted educational program simplifies the task of identifying that small group of drivers which refuse to voluntarily mend their ways, and can be reached only by arrests, fines, or revocation of driving licenses.

One of the vital "musts" of any program is that it be permanent. As Dr. Stack warned, so-called "safety weeks" and similar hit-and-miss drives of brief duration, usually accomplish little or nothing. What good may be done is lost almost immediately unless the drive is followed by a consistent educational and enforcement campaign that is in continual operation.

We've "dodged" the traffic safety issue too long. We've tried sporadic campaigns and seen them fail time after time. There's only one way out and that is for every community, large or small, to go after the reckless, incompetent and ignorant driver with campaigns that will get results.

Home Construction Increasing

The recovery that occurred between the spring of 1934 and August, 1937, rested heavily upon the manufacture and sale of automobiles.

Signs now suggest that the recovery getting under way at this time will be based in important part upon the construction of homes.

Residential construction is showing the strongest improvement of any major industry. During July, according to F. W. Dodge Corporation, contracts for new housing in 37 States at \$87,978,000 were the highest of the year and 8.3 per cent above July last year.

The Department of Labor reports that July home building permits of \$125,656,000 were 79.1 per cent above June and 128.8 per cent above July of 1937.

As if to clinch these evidences of improvement, the Federal Housing Administration finds that mortgages submitted for appraisal were running in August at the rate of more than \$100,000,000 a month, which was double the 1937 rate.

Then the Federal Home Loan Bank Board now reports that in July of this year 21,660 residential units, costing \$118,248,000, were built as contrasted with 11,752 units costing \$38,795,000 in July of last year.

Merion No. 1

Merion-Liberty has completed requirements as far as possible for the summer award and is now marking time until the first official fall meeting September 26. At this time all registered scouts are expected to return to the fold and any new boys twelve years of age residing in Merion are requested to attend.

The scout house has received its coat of paint and is quite imposing in its pristine freshness. There are several things yet to be done, however, and several volunteers are going to work on its Saturday morning.

We are sorry to have lost the membership of Reggie Kimble, whose family has moved to Jersey Shore. We wish him success in his new surroundings.

Voters May

Register the End of September for Fall Election.

County Commissioners Fred C. Peters, Foster C. Hillegass and James W. Potter are making it convenient for unregistered local voters to enroll by traveling this summer to various centers throughout the county. Their days for the Main Line:

September 26, 27, 28, 29 and 30 in the Township Building, Ardmore; and September 26 and 27 in the Borough Hall, Narberth.

Hours: 2:30 to 5 P. M. and 6 to 8:30 P. M., Daylight Saving Time.

Per new law, voters who have not registered since the Permanent Registration Act of 1937 must qualify now in order to exercise their franchise this fall.

"Registration business may be transacted at the Court House until noon on October 8, the last day to register before the November 8 election."

Reprinted from a previous issue of Our Town, by request.

At the same time, foreclosures on urban real estate are continuing to decline. Sales of properties already foreclosed are rising rapidly.

All of these facts and figures are important for what they suggest concerning the future of general business.

4-Hour Matinee This Saturday at Narberth

The week-end feature is "I'll Give a Million," starring Warner Baxter and Marjorie Weaver. In addition, Saturday afternoon, the borough playhouse will present Jane Withers in "Rascals," a musical comedy. "Out Where the Stars Begin," chapter two of Tim Tyler's Luck; news of the world, and Charlie McCarthy, in "Africa Speaks English."

"Port of Seven Seas" comes Monday and Tuesday, offering adventure and thrills aplenty. Then comes Ginger Rogers in "Having a Wonderful Time." And at week's end, Mickey Rooney and Spencer Tracy will entertain in "Love Finds Andy Hardy." Shirley Temple is coming the following week.

EGYPTIAN

"Three Blind Mice" with Loretta Young and Joel McCrea, comes to the Egyptian Theatre this Friday, Saturday and Sunday with a matinee Sunday at 2:15. A gay, romantic story of a girl who is determined to marry a millionaire, with the assistance of her two sisters, Marjorie Weaver and Pauline Moore. Other members of the cast are Stuart Erwin and David Niven, who add a touch of humor.

"You and Me," with Sylvia Sidney and George Raft, vividly portrays the trials and tribulations of ex-convicts on parole earnestly trying to "go straight." You will remember Sylvia Sidney in "American Tragedy" and "Fury." This unusual dramatic offering comes to the Egyptian Monday and Tuesday.

Wednesday and Thursday Alexander Korda's English comedy, "Storm In a Teacup," presents lovely Vivien Leigh and Rex Harrison, whom you will remember in "Men Are Not Gods," in an unusual and exciting comedy.

Your NEW HOME

WILL HAVE PURE SPRINGFIELD WATER

"Ready on Your Call..."

Years ago, when you placed a long distance call, you waited several minutes until the Operator called you back to say, "Ready on your call..."

Today, more than nine times in ten, your long distance connection is made while you hold the line.

This improvement in service came because Bell management said that it should come — and found the men, methods and machinery to make it possible.

Whenever you need to talk to someone out of town—think of Long Distance. Think of its speed, its ease—how pleasantly personal it is. Think of the time and money it can save you. Think of the low night and Sunday rates for friendly chats. And remember, please, that we are always "ready on your call"—eager and able to serve you well. The Bell Telephone Company of Pennsylvania.

GAY little girls and gloomy boys go trudging back to school again. While mothers study how to keep them at the peak of health during the long months ahead.

Plenty of fresh, pure milk is important—a quart a day, doctors say. Serve it on breakfast cereals. Have your youngsters buy a bottle at school lunchtime. Give them a glassful as an after-school snack.

Start them off this year with Supplee Sealtest Premier A Milk. YOU can be sure of its richness and purity. For Supplee shares in the research discoveries of more than 100 laboratories in the SEALTEST SYSTEM OF LABORATORY PROTECTION.

Your whole family will enjoy this delicious and wholesome milk. Telephone Bryn Mawr 881 for courteous, dependable service.

SUPPLEE PREMIER A MILK

The Sealtest System of Laboratory Protection and its Member Companies are under the Same Ownership

SUPPLEE brings you the LONE RANGER over Station WFIL from 7:30 to 8 P. M., E. D. T., every Monday, Wednesday and Friday. Hear his thrilling adventures.

Before YOU RENT OR BUY!

Investigate THE WIRING!

You're moving? Then don't forget that much of the new home's comfort lies beyond the walls, out of sight—in the wiring. Investigate this important matter thoroughly. How? Ask your electrical contractor or call our nearest office for a check. Then only can you be sure the house you are considering has adequate wiring and sufficient lighting and duplex convenience outlets and switches to care for all your electrical needs of today and in the future . . . to get full-measure current.

Great Allentown Fair
The World of Mirth Shows, which will again grace the Great Allentown Fair, September 20, 21, 22, 23 and 24, with the largest midway in the world, is bringing with it many new innovations in showmanship. Over thirty-five double-length railroad cars, carrying over two hundred circus wagons, transport this carnival of fun, containing more than forty thrilling shows and rides.
One of the features again is Robert L. Ripley's 1938 Odditorium, over fifteen different attractions, featuring Rosa Barthelme, "the slate-back girl." Through some peculiar quirk of nature, you may write on the skin of Rosa with some blunt instrument, and after a few minutes what you have written will stand out clearly and distinctly.
Then there is a giant. We expected a giant—and a seven-foot one would have been all right, but this is the Illinois Schoolboy Giant, and he is fully eight feet six inches tall! Strangely this giant is married to the diminutive little half lady Jeannie Weeks, born without any lower appendages.
Those are only two of the attractions to be found in Ripley's Odditorium, and the others are just as interesting. There is Ambrose Bock, the little midget, who can lift a fifty pound weight by fastening steel hooks to his lower eyelids. There is Wally White, the scientific enigma, who can actually control the flow of blood in his body.

Early Autumn Along Shickshinny Creek In Luzerne

In urging people to travel Pennsylvania's highways in September or during the October days of autumn beauty, the State Publicity Commission suggests that motorists also use some of the byways. It is along the side roads that one finds some of the most captivating scenery. Here is an early autumn view along Shickshinny Creek in Luzerne County. Shickshinny is located along Route 11 in the center of a vast scenic region.

Modernistic Picture Frame

Photo from Pa. Publicity Comm. Millions of lovely landscapes are framed in car-windows daily along Pennsylvania highways as an unprecedented influx of tourists visits the state this summer. This scene is near Snow Shoe, Centre county.

Fisherman by a Roadside

Photo from Penna. Publicity Commission Through the Black Forest region of Lycoming County winds Slate Run before it joins Pine Creek, and along Route 44 which parallels the Run motorists frequently see sportsmen seeking a catch, as the one in lower left hand corner of photo above.

The feature at the Arena this Friday will be a wrestling bout between Dr. Patrick O'Callaghan, Ireland's one-man Olympic team, and Man Mountain Dean, 330-pound bearded Georgian. O'Callaghan has engaged in more than thirty matches without being defeated since he entered Amer-

ican rings three months ago. Ray Fabiani secured Dean as his opponent when George Koverly and Chief Little Wolf each refused offers to meet the Irishman on his first eastern appearance.

Two days of outstanding entertainment will conclude the 24th annual Reading fair this Saturday and Sunday. For the third straight year, Lucky Teter and his Hell Drivers have been booked as the feature attraction on Saturday. A. A. A. automobile racing, staged by Hankinson Speedways of Philadelphia, will close the fair.
